Experience Letter

This is to certify that Mr. Asad Ghaffar has successfully completed a one-month internship in the Frontend Development Department at P2P Clouds.

During his tenure, Asad demonstrated great enthusiasm for learning and showed promising technical and creative skills in building modern web interfaces. He worked on various frontend projects under the guidance of our development team, gaining practical experience with HTML, CSS, JavaScript, React.js, and Next.js. He also learned how to integrate APIs, manage state efficiently, and ensure responsive and user-friendly designs for real-world applications.

Throughout his internship, Asad proved to be a dedicated, punctual, and responsible team member. His ability to quickly grasp new technologies and apply them in development tasks reflected his potential as a skilled frontend developer.

After completing one month of internship, Mr. Asad Ghaffar resigned voluntarily on his own decision to pursue further learning and opportunities in the field of frontend development.

We appreciate his contribution during this period and wish him continued success in his future professional endeavors.

Best regards,

Mian Ahmad Basit (CEO P2P CLOUDS)
